

POST-FIELDWORK REPORT FORM

Breedlove, Dennis Fund Awards for Student Botanical Field Experiences

Submit your final report and photo/image attachments to Margaret Oliver (molive18@utk.edu) with "Breedlove, Dennis Awards Report - <applicant's last name>" in the subject line and as the file name of the form.

Please write an essay about the field experience that can be used in the Ecology and Evolutionary Biology newsletter. It should include the goals/objectives, results/findings of the fieldwork, and discuss the importance of the research/field experience in a manner that is accessible to the public as well as the fund donors. (500 words maximum). Please remember to acknowledge the Breedlove, Dennis Fund in any thesis/dissertation, publications, or presentations resulting from this fieldwork. We would also appreciate being notified of any of these publications or presentations as are released.

Please attach a table listing any herbarium specimens that were deposited/will be deposited at TENN. Include the species name, collector, collection number, and any other herbaria they may also have been deposited in if duplicates were created.
